ERIC GRZYBOWSKI

PROFESSIONAL BACKGROUND

Eric Grzybowski is a graduate from Virginia Polytechnic Institute and State University with a Bachelor of Science degree in building Construction Management, currently the Myers-Lawson School of Construction. The first School of Construction in the nation created to cross-traditional boundaries of education and to develop values based construction leaders.

Eric carries a "Class A" General Contractors License and is a LEED Accredited Professional. As a partner/project manager, Eric has specialized in a variety of complex projects for clients ranging from Fortune 500 corporations to small local businesses. His responsibilities include but are not limited to pre-construction estimating and scheduling, project management, project closeout, safety coordination and green construction.
